

TUITION DATA PRESCHOOL – GRADE 8 2011-2012

ST. JOSEPH CATHOLIC SCHOOL – MAUMEE, OHIO

INFORMATION SHEET

Dear Parents/Guardians,

The school is a vital part of St. Joseph. For more than 150 years our parish has educated our children in the context of their faith development. Countless students/families have benefited from the unselfish giving of teachers, staff and parishioners. Below are the tuition rates for 2011-2012. To receive the discounted parishioner rate, we are asking each family to affirm its commitment to actively participate in the parish. The most important part is your regular participation in Sunday Eucharist. We are excited about the coming year and look forward to your renewed commitment to our parish.

God Bless,

Fr. Keith Stripe, Pastor

Mrs. Camille Knopps, Principal
