

Student Name _____

Prep Electives 6th grade

All incoming 6th graders must choose two separate elective classes. One class is on Monday and Wednesday; the other is on Tuesday and Friday. Please have them circle the elective they wish to take and bring this form on the first day of school. Computers, P.E. and Art are semester classes and new electives will come out after Christmas. I will do my best to make sure all students are in the elective they choose.

Monday/Wednesday Electives

Advanced Band: This is for all students who have completed beginning band last year, or know how to play an instrument already. Any student wishing to learn an instrument should sign up for beginning band, which is offered before school. Mr. Eric O'Brien is the instructor.

Computer Apps I: Students will learn Excel, Power Point, basic programing and digital media. Students who do not take this elective will have to sign up before they graduate in 8th grade. Mrs. Beth Osten is the instructor.

Guitar Lessons: Want to learn how to play, or learn to play even better? No guitar is necessary, but students are welcome to bring their own if they choose. Mr. Mark McCready is the instructor.

Tuesday/Friday Electives

Prep Choir: Enjoy singing? The Prep Choir performs at all school masses, our Christmas concert, nursing homes, and occasionally at 11 a.m. Mass. This is a full year class. Mr. Dennis Johns is the instructor.

Advanced Art: Students who have a passion for art should sign up for Advanced Art. This class will take 2D and 3D art to the next level. Mrs. Lisa McClure is the instructor.

P.E. Extra: Students who take this class will have P.E. four times a week. Mr. Isenhath is the instructor
